Show your support for the Lincolnshire Agricultural Society

Our Members help us to promote and teach about food and farming across the county through initiatives like the Lincolnshire Show's Schools' Challenge, the Lincolnshire Farming Conference, Farmhouse Breakfast Week and much more.

We're committed to providing a year-round calendar of events to inspire and engage our community, to fulfil our longstanding charitable objectives. If you're under 26 years old, you can join as a Young Member, which allows you to enjoy the perks of Membership for a reduced price.

The Impact Group is a collection of fun, like-minded young people working in the agricultural industry who get together for social events, tours and visits throughout the year. If you'd like to find out more or get involved, please contact Rosie Crust, our Education and Development Officer.
