

# LINCOLN ANTIQUES AND HOME SHOW

## Introducing an exciting new Lincoln Antiques and Home Show format for 2019.

We at Arthur Swallow Fairs have always prided ourselves on being a hands on approachable team, listening to both stallholders and buyers feedback at all possible opportunities. We have taken your valuable feedback on board, made changes with this in mind and are delighted to present our new format for 2019.

### Closing the gap

The combination of Lincoln and Newark creates a perfect opportunity for buyers and traders, particularly overseas traders, to attend two shows in one week. However, the gap between the two shows has been problematic for some, so we have removed this.

**From 2019, apart from the August weekend show, the Lincoln Antiques and Home Show will be a one day show on the Wednesday.**

### Lower rents/hire

This new formula will enable us to reduce stall rents and marquee hire.

### A good nights sleep

Stallholders will now be able to enter Lincolnshire Showground from 4pm on the Tuesday afternoon. Set up can now be done the evening before, ready for when we open at 7am on Wednesday. Perfect for a good nights sleep before a busy day of trading!

### A new layout

The layout will change slightly, bringing the Epic Centre closer to the Avenue stalls. Instead of using Avenues 1, 2 & 3, we will be using Avenues 2, 3 & 4. We will also be offering low-cost shopping arcades linking the Epic Centre to the Avenue stalls.

### August weekend show

We have been repeatedly asked by members of the public for a weekend show, so from 2019 we are happy to announce that our August show will be held over Saturday and Sunday, with set up on Friday afternoon.

### Shorter walks to the car park

Buyers will park in a new car park area around First Avenue. The walk back to cars is now a lot easier. Vehicle collections will be made easier, with collection passes from the security gate from 8am.

### 2019 show times

Trade buyer entry will be 7am -10am £15pp, public buyers are welcomed 10am – 4pm £5pp.

**Thank you to all of our traders and buyers for your support over the past 23 years. We hope that you will enjoy the new show format for 2019.**
